

Don't Mess with God's Children

A mentally handicapped child is at a playground and a teenage boy walks up, kicks sand in the kid's eyes, pushes him over, and spits in his face. All the other kids laugh as the teenager leaves and goes home near by. A few minutes later there is a knock at his door. He opens it to find a big burly man with an angry look on his face. The big muscular man grabs the teenager by the neck. He raises his huge fist and lowers it hard down directly hitting him in the nose. Struck down, the teenager is laying on his backside with his nose bleeding. His eyes well up with tears of pain. He watches as the big man turns and begins to walk away. Then he pauses, turns back just a bit, points his finger and says "Don't mess with my child!"

As parents, we always want to protect our children. We don't want others to mess with them. Well God feels the same way about His children.

Exodus 4:18-23 – "Don't mess with My children!"

Story of Bob's Home Improvements

Some of you think that God doesn't care, or that He isn't responding to your hurts. Maybe you think He's taking too long to come to your aid.

But if you couldn't stand someone messing with your children, how much more God?

Luke 11:11-13

He is your Heavenly Father! He cares more for you, His child than we can even know. Count your blessings! Everything good that you have and ever had came directly from God.

We tend to blame God in the bad, and forget about Him in the good. But scripture reminds us differently:

James 1:17 – Every good & perfect gift is from God

So what about you? Your hurts? Your needs?

Matthew 6:25-34 – “Trust God”

God has not left you. He's coming back for you. Even if you die before Jesus comes back, God promises to take you directly to Him! That's His promise to you!!

We have a REAL Father! We have a REAL hope!!

Matthew 24:46 – “Be found faithful”

One day, we'll fly away!!
